

AUTHORIZED PICK UP LIST

No one other than the parents or designated persons below will be allowed to pick up your child without prior arrangements made first. I must be notified in advance and have a written note with the person's name, relationship to child, and ID number in the event someone other who is listed below should need to pick up your child. If there is a court order keeping one parent away from the child, then I MUST have a copy of such document for the child's file. Otherwise, I can not prevent the non-custodial parent from picking up the child. Please be sure to include copies of all legal paperwork pertaining to custody arrangements.

Persons authorized to pick up my child other than myself and spouse. Please include any siblings who will pick up.
